We set out to achieve
and have been rewarded.
We set out to learn,
and have found knowledge.
We set out to track down old
dreams — and have been
inspired by new ones.
We set out to love,
and have made friends
that won't be forgotten.

This time to grow is
becoming shorter,

But the time to live
is just beginning

Alex Fenik — Acting Principal

Commencement exercises on June 11th will mark the beginning of another phase of your lives; one in which you will be faced with an ever increasing number of decisions and, for this, I believe you are well prepared.

The Class of '82 has consistantly shown that chance has had little to do with the achievement of its goals. "Destiny" wrote William J. Bryant, "is not a matter of chance, it is a matter of choice; a thing to be achieved." Continued dedication to this philosophy will ensure future success.

My best wishes, Class of '82.

SAMNITE

Finally, after many rushed and nerve-wrecking deadlines, the 1982 Samnite is finished. From September to March the staff worked diligently to create a book which they hoped would be the best they could produce. The editors tried out many new ideas, including Senior Quotes and several pages designed for signing and remembering the year past.

Editor-in-chief Dan Driscoll, along with the Assistant Editor Ann Mulford and Managing Editor Mark Shelley, led the editors Nina Malloy (Ads), Marla McCourt (Subscriptions and Girls' Sports), Kim Casey (Curriculum), Holly Witty (Underclassmen), Sue Pfundstein (Activities), Debby Olmsted (Seniors), Paul Christensen (Boys' Sports), and their respective staffs to the final product. The Photographers, headed by Brett Lazar, worked long and hard on attending school functions, photographing them and then developing the pictures. Linda Magee added her talents in both the Senior section and in her original artwork. Mr. Riley oversaw the entire production as advisor.

Advisor George French

President Audrey Menzie

The officers of this year's AFS club were Audrey Menzie, President; Sue Berndt, Vice President; Liz Johnson, Secretary; and Ann Mulford, Treasurer. The Club was lucky enough to have two foreign exchange students here. Oved Amitay, from Israel, was here for the first six months of the school year, and Erika Schoonhaven, from the Netherlands, was here for the entire year. During the summer Liz Johnson lived in Spain as a participant in the AFS Summer Exchange Program. Some of the activities of the AFS club during 1981-1982 were a short-term exchange with Williamstown, Ma. and a short-term exchange with foreign students in the area.

VARSITY CLUB

The Varsity Club had a very successful year. It started off by having a magazine subscription drive which raised over six hundred dollars. The Varsity Club has been busy selling Chatham Township sweatshirts starting in January. It has been successful and has hopefully promoted school spirit. In February, a paddle tournament was sponsored which proved to be a great success and a lot of fun. Year end plans included giving a one hundred dollar scholarship to the most deserving senior athlete as voted by the club. Also, a picnic is being planned for the end of the year. The Varsity Club was organized with the leadership of its four officers: Kathryn Hintz, Sue Morris, Sharon Grimm, and Kerry Byrnes, as well as Mr. Gross, the club advisor.

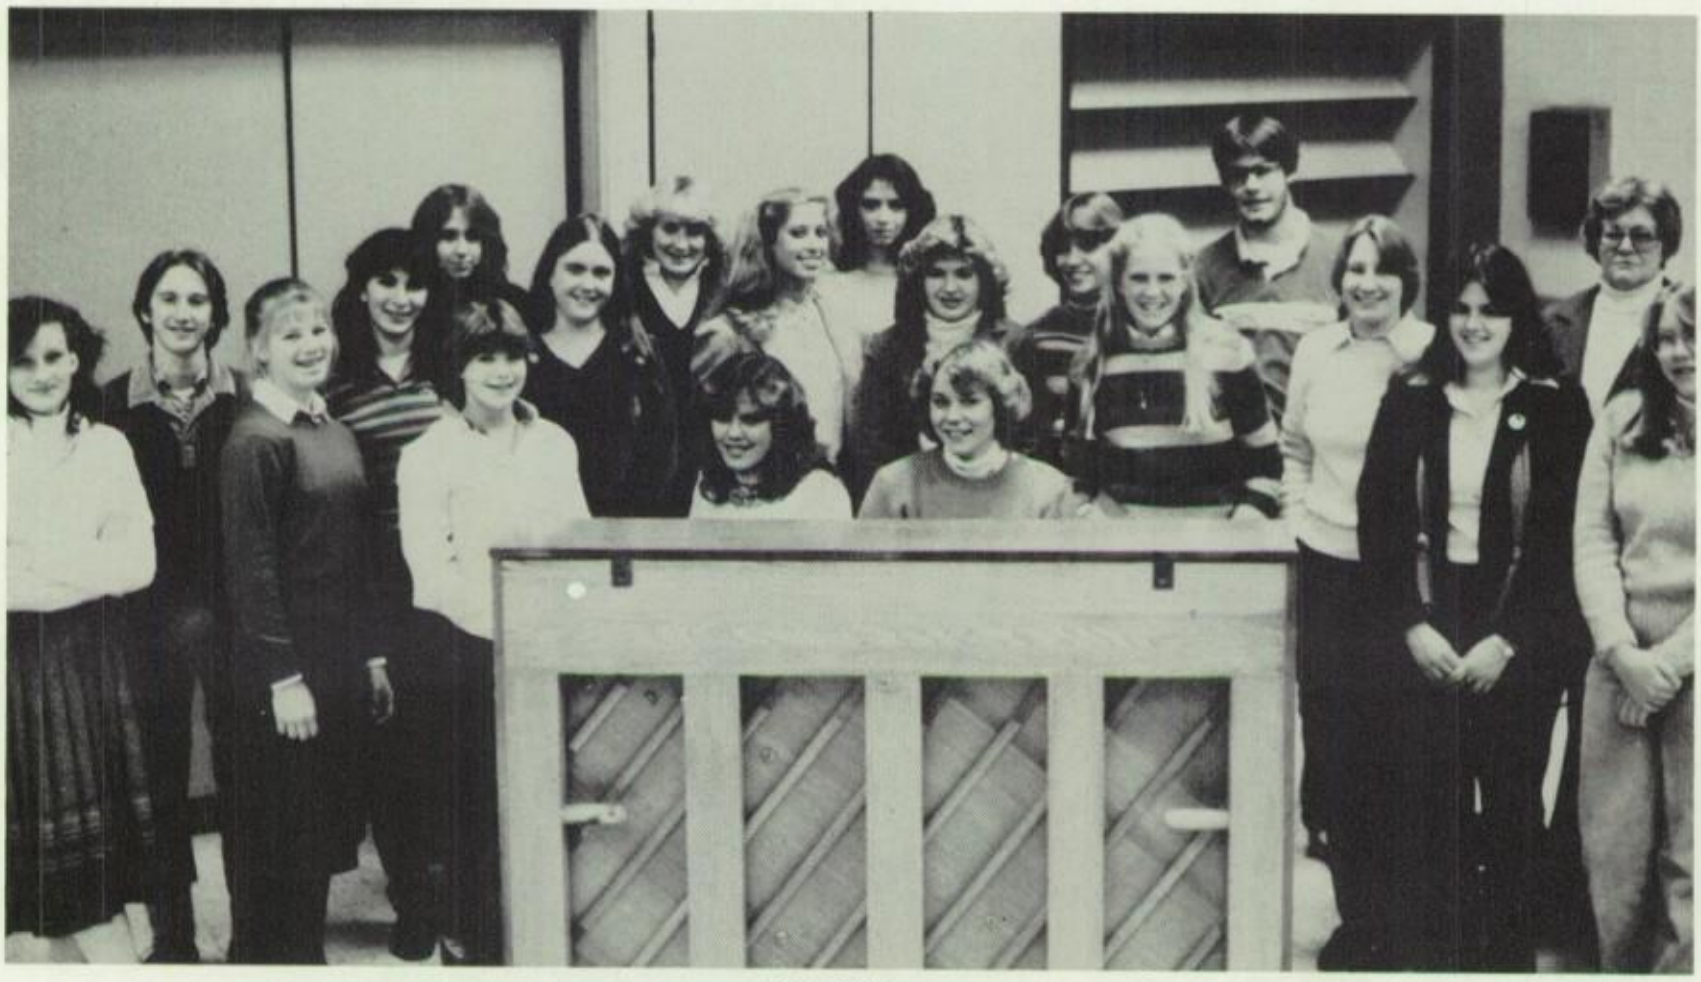
Chorus



1981-82 Chorus

The Chatham Township chorus, under the direction of Miss Regina Kowalski has worked hard all year re-building its ranks. With the help of accompanists Barbara Busso and Kyra Loudermilk, the choral ensemble is well on its way toward showcasing the talents of Chatham Township students.

As participants in both the winter and spring concerts and the drama production of *The King and I*, the chorus has been very active this year.

PEP CLUB

The spirit of Chatham Township was again led by the Pep Club. All sports were supported by the making of wall posters and locker posters. Midnight riding, field decorating, and the selling of shakers were also among the Pep Club's responsibilities.

The club functions under the spirited faculty advisor, Miss Salley Foley. Officers include: President, Lia Patzau; Vice President, Lesley Simmons; Secretary, Kim Casey; Treasurer, Tracey Keale; Activities Chairman, CraigAnn Riddell.

KEY CLUB

Key Club Advisor, Mr. Kuehner.

The Key Club, one of the Township's busiest clubs, has had a very active year. Donkey basketball, leukemia fund raisers, toys for tots, woodchops, and District Convention have all been part of the busy schedule.

Under the leadership of the officers, Donna Pietrucha (President), Beth Land (Vice President), Scott Jandora, (Secretary), and Brad Robins (Treasurer), the Key Club has accomplished a lot. This year the club can boast of a State Officer, District Secretary Barbara Busso, who was elected at District convention.

Overall, the Key Club can look back at a very impressive year, and can look forward to more of the same.

Vo-Tech

Ten of our students are enrolled in the shared time program at Morris County Vocational Technical School in Denville. These students are transported by bus and spend two and one-half hours in concentrated instruction in one vocational area. This instruction involves theory as well as hands on experience. Students find that time goes quickly because they like what they are doing. Most programs are completed in one year, although several involve a two year curriculum. Students return to CTHS for afternoon classes in English, History, and P.E.

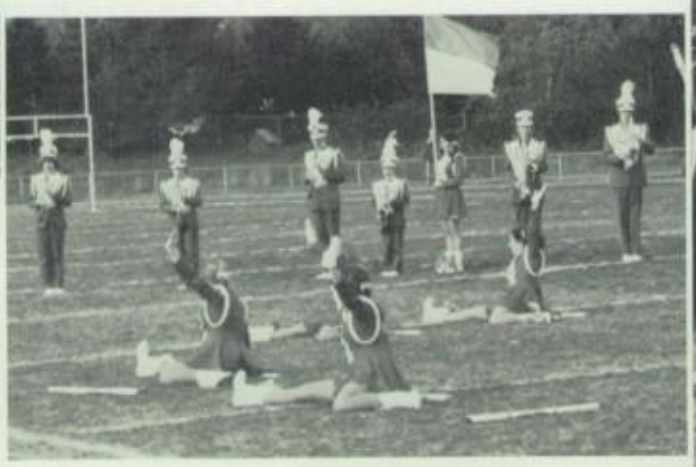
MARCHING BAND



The Marching Band had another successful year with the talents of Ray Troxell choreographing the show. The band played "Vera Cruz," "Somewhere," and "Home" under the direction of Joe Bassin.

Drum Majors Sandi Wiecek and Kyra Loudermilk led the band down the field at every game. Front line captain Julie Tompkins and Co-Captain Liz Johnson followed close behind with their show of 17 silks executing difficult maneuvers. The front line show was choreographed by Michael Chupka.

Apathy Club

In keeping with CTHS tradition, we have set aside this page especially for all those members of the student body who did not participate in any school activities. This is *your* page — enjoy it.

To handle yourself,
Use your head,
To handle others,
Use your heart.

Today well lived makes
Every yesterday a dream
Of happiness and every
Tomorrow a vision of hope.

I've looked at life from both sides now
From up and down and still somehow
It's life illusions I recall
I really don't know life at all.

Quitters never win.
Winners never quit.

Friendship is the inexpressible comfort
of feeling safe with a person.

Tomorrow will come
Yesterday has gone
Today is here
Our lives have begun.

Remember today of yesterday's times
Dream today of tomorrow's rhymes
Live today of today's experiences
Be yourself and strive for happiness.

If you compare yourself to others you
may become vain or bitter, for always
there will be greater and lesser persons
than yourself.

Your days are short here
This is the last of your childhood
And now in the serenity and quiet
Touch the depths of truth. Feel them.
You will go away with old, good friends
Don't forget, when you leave, why it was you came.

A real friend is hard
to find,
Yet harder to lose.

Take your time, think a lot,
Think of everything you've got,
For you will still be here tomorrow,
But your dreams may not.

If a man does not keep pace with his companions,
Perhaps it is because he hears the tune of a
Different drummer. Let him step to the music
He hears however measured or far away.

Although girl's track is relatively new to the school it is rapidly becoming a popular activity as more and more girls realize the fun and challenge involved. Coach Lecington took over as head coach during the 1981 season and is looking forward to seeing the team grow both in size and stature.

Through dedicated and hard work (ask any team member about the thrill of the 20 minute run and the agony of the 400's!) two of the CTHS girls's track team members were qualified to compete in the Group Championship meet. Lisa Hintz competed in the 1500 and 3000 meter runs, and Sharon Grimm in the 100 meter hurdles. We expect many more individual and team victories in the future.

This year the girls basketball team has had an outstanding season. The team began by winning the New Providence Christmas Tournament and has also added the Colonial Hills Conference Title to their accomplishments this season. The team is led by MaryJane McNicholas, who averages 22 points per game, and the ball handling of Tracey Keale. Strong shooting by Sue Redding and defense added by Trish Cashman, Beth Land, and Barb Wade solidified the team. Strong bench work has helped the team thru any injuries this year. Sue O'Neill and Anne Marie Driscoll have added that "extra touch," any good team cannot win without.

The team at the end of the regular season posts a record of 17 wins and 3 losses. The team is seeded 6th in the state tournament and hopes to add to their winning ways in the states.

1981 TENNIS

In 1981 the Boys Tennis Team had another winning season. They showed some good playing from the singles and could always count on the doubles to pull them through. The team was led by captain Paul Campbell at first singles, with Lindsay Van Voorhis, Eric Blumenthal and Kevin Curtain. The doubles were led by Brian Byrnes and Peter Kuehne at first; and Brad Robins and John Leonard at second. With 11 wins and 5 losses the team had a good season only to lose to Verona 3 to 2 in the second round of the group I state championships, and are looking forward to an even better season in 1982.

Chris Gentile studies his teammate's style.

The 1981 Track Team saw some changes from th following seasons. Mr. Steiner came to take over the lon distance runners from Mr. O who coached the weight mer Mr. Fergus took over as the sprinter/jumping events coach when Mr. Lechington became the girls coach. Beside a these changes, the team had a pretty disappointing season but some people did stand out to lead the team. The onl senior on the team was captain and MVP Mike Hopkins Glen Dyer had his best season yet as he went all the way t take 3rd in the Group I States for the 200 meter sprin Even though we didn't win a meet in the 1981 season whenever we were at practice or a meet we always had fu . . . and that's what it's all about.

The 1981 golf team, under the direction of Coach Ben Karpinski, went 13-1 and captured the Colonial Hills Conference Championship. The six golfers in the title match were: Mike Hennigan, Mark Giuliano, Jim Sexton, John Simon, Chris Grimm and Chris Colbert. Upon graduation, the Glads lost seniors Chris Colbert and Captain Mike Hennigan. Returning will be juniors Jim Sexton, John Simon, Steve Bensen, Mike Chapman and Alan Stimetz.

Soccer

This year in soccer was not everything it could have been.

The 1981 Soccer team got off to a great start, with four straight wins, but they couldn't keep up their momentum. A game against Madison, which the Glads dominated, ended in a 3-3 tie. Mixed in with the next three wins were two losses which never should have happened, Bernards and Whippany.

Better teams accounted for the rest of the season's losses, but the Glads seemed to lack the extra punch they had displayed earlier in the season. Only in the beginning of the State tournament did CT show what it could do, with a clean win over North Warren, the team ranked 3rd in the state.

The team was once again coached by Mr. Paul Chaput. The Tri-Captains were Mike Chapman, John Navarro, and Scott Weyman. The rest of the squad included Seniors — Steve Carroll, Jim Jarvis, Bill Lopez, and Mark Shelley; Juniors — Greg Glassco, Danny Hunczak, Brian McGonigle, Terri Melia, Chris Ohlweiler, and Peter Strohl; Sophomores — Colin Hackett, Bill Ruffle, and Doug Shelley.

Matt McDowell calling the the signals

The 1981 football team was one that showed much promise but ended somewhat disappointingly. All the games were close, some games were lost by a few points and others were lost when their opponents came back in the last minutes of play.

Co-Captains Chip Sardi and Chuck Place led the Gladiators to a 3-5-1 record. As before, this does not reflect how close the games were, and it does not show the talent they had this year. Chuck Place made first team, all-area and led everybody in the area for rushing yards. There were many others who were outstanding: defensive leaders Bill Toth, Mark Flemming and Chip Sardi. All this individual effort, though, could not have been done without the rest of the team. So even though some players stood out, it's the whole team that should get credit.

"We lost, we lost, and we lost some more," were Coach Rick Olszewski's opening comments on the cross country team's season. The team finished the year with a record of two wins, nine losses, and one tie. The team should have done much better, but the injuries and sicknesses of the main runners destroyed any hope for success. The backbone of the team was formed by Kent Hurtidge, Ray Geiser, Jim O'Neil, Ed Gentile, Kevin Stonaker, John Szostak, Mike Artiglere, and Tom Gareeb. So you can see, with the injuries and sicknesses, the backbone just didn't take shape.

CT opened up winning two meets against Whippany Park and Cedar Grove; then with the easier part of the season coming up injuries prevailed, and they lost their last nine and tied one against Chatham Boro.

This year Coach Cohen molded a young and inexperienced group into an efficient hockey-playing team. This unit was led by seniors Martin Williams, Bruce Sanford, Jon Simon, Don Warren, Steve Bensen and Karen Casey.

Coach Cohen also had to call on many underclassmen to get the job done. The underclassmen included: Juniors — Geoff Keith, Mark Guiliano, Pete Rech, Chris Ohlweiler and Andy Gudelis, Sophomores — Rob Rospond, Steve Knightly, Doug Shelley, Rob Fetten, Jack Gill and Rob Leonard. Freshmen — Dave Aiello and Pete McNally.

Although the team didn't win the Mennen Cup this year, they ended up with a record of 17-3 with a league record of 15-2.

Another studious class at CT!

Diligent Sophomore Class President, Soc Kyritsis.

The Sophomore class had a productive year, led by class president, Soc Kyritsis; Vice president, Pauline Mason; Treasurer, Chris Sar di; and Secretary, Suzanne Sweeney. The class of 1984's activities consisted of selling posters, selling roses at Christmas time, a suc cessful breakfast, and numerous bakesales. The Sophomores purchased class rings this year and worked at recycling centers as a servic project.

We woule like to extend our appreciation to Mrs. Morris, our class adviser, Mrs. Girard, our class mother, and all of those who sup ported us in helping make this year a successful one.

Class of 1983:

The Class of 1983 led an active Junior year. Gladiator buttons, an Election Day bake sale and a Holiday Plant Sale were only some of the many fundraisers. A class newsletter providing a means of communication within the class included upcoming events, results of monthly activities and a variety of special features. This year's officers included: President, Gregg Kaufman; Vice Pres., Kim Casey; Treasurer, Sue Berndt, and Secretary, Anne Williams. A special thanks to Mrs. O'Farrell, class advisor and Mrs. Christian our super class mother; and all the Juniors who helped to make this year so successful.

Our years at CTHS are coming to an end. June 11 will be our graduation day. Over the years we have shared many experiences; some have been happy ones, some have been sad ones, and some have been learning ones. But through all of these experiences we have always been together. We have had differences of opinion, but fortunately we have always been able to talk them out. Some of us will be leaving the Township while some of us will be staying, but no matter where we go, each and every member of the Class of '82 knows their friendship will endure: "You've Got a Friend."

I would like to thank you for all the help and cooperation you have given me over the years. It has been my privilege to serve you. Good Luck, God bless you, 'till we meet again.

PACE INVADERS

During the past four years at CTHS, we have been influenced by many people. Among these people are our class advisors, Mrs. Silverman, Mrs. Morris, Mrs. Berry, and especially Miss Foley, our senior class advisor. We would like to take this time to sincerely thank them for working so hard for us. They showed us the importance of trying.

Miss Sally Foley, Senior Class advisor

Mrs. Laraine Silverman, freshman class advisor

(Below) Mrs. Margaret Morris, sophomore class advisor.

Mrs. Patricia Berry, Junior class advisor

Ode to the Class of '82

And so ends another chapter. Those glorious, carefree days are fading fast, only to be replaced by those of the "real world." Our childhood days are spent, what is left exists only in our imaginations and our memories. But let this not blind us to what is ahead. Tomorrow will come, either in splendor or drudgery, but the sun will rise; it's up to us as to the intensity of it's brightness.

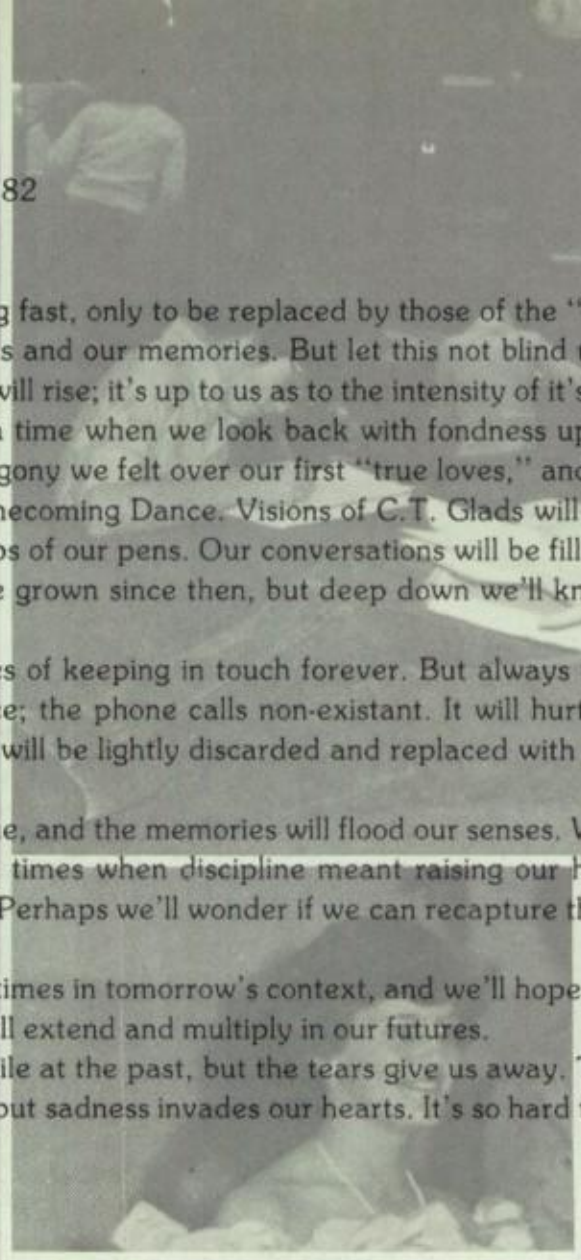
The days are gone, but the memories remain. Always there will be a time when we look back with fondness upon our high school years and laugh at the crazy things we did. We'll remember the agony we felt over our first "true loves," and our embarrassment over all the pictures our parents insisted upon at our first Homecoming Dance. Visions of C.T. Glads will be stored in the dark recesses of our minds, and yearbook signatures will be at the tips of our pens. Our conversations will be filled with "Oh God, remember when . . .," and perhaps we'll think of how much we've grown since then, but deep down we'll know just how much is left.

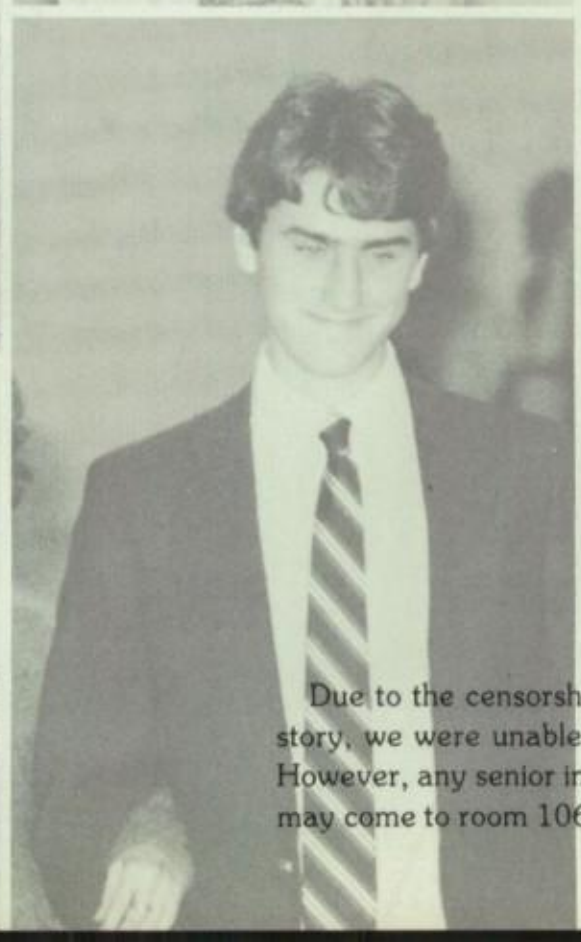
We'll all go away with old, good friends, and we'll hear faint promises of keeping in touch forever. But always there occurs some gains and losses in living everyday. The letters will become scarce; the phone calls non-existant. It will hurt so much at first, but after awhile it won't be so bad. The remnants of our childhood will be lightly discarded and replaced with the newness of our adult lives.

Still, somewhere in our futures someone will mention the white and blue, and the memories will flood our senses. We'll think of old friends we've watched change and go away, and we'll think of the times when discipline meant raising our hands before speaking, and working hard meant handing an English paper in on time. Perhaps we'll wonder if we can recapture those magical days by rounding up the "old gang;" then again, perhaps not.

We all have our visions of success for the future. We'll dream today's times in tomorrow's context, and we'll hope the changes won't alter our dreams. We can only hope for that which we have now will extend and multiply in our futures.

And so the pages are turing fast; this book is reaching it's end. We smile at the past, but the tears give us away. Things won't ever be the same. And so we look with fondness upon the days gone by, but sadness invades our hearts. It's so hard to let go!





Due to the censorship of the 1982 Senior Class story, we were unable to print it in the yearbook. However, any senior interested in obtaining a copy may come to room 106a to receive it.
